¿Quienes somos?

Xpertials, es una empresa fundada en Enero del año 2014 con un equipo ya especializado en el sector del baño, y que hoy en día es una de las empresas más notables en la fabricación y distribución de espejos con iluminación led y focos led para el baño.

Nuestras instalaciones están ubicadas en Rafelbunyol (Valencia) España. Disponemos de 2 modernas instalaciones de más 3.100 m² con los recursos necesarios para dar soluciones a las necesidades más exigentes.

Who are we?

Founded in 2014 and based in Rafelbunyol (Valencia-Spain), Xpertials counts with a dedicated specialized team, nowadays, its counted among one of the notable suppliers that manufactures and distributes Led mirrors and Led spotlights for the bathroom.

Xpertials' facilities covers an area of more than 3,100 square meters, consisted of offices, assembly line together with specialized, advanced manufacturing technique and equipment for trial and support production.

Nuestro Mercado

Somos una empresa especializada en la producción y distribución de Espejos con iluminación Led y Focos Led para GSB e Industriales del Mueble de Baño. Nuestra red de distribución y transporte, nos hace muy competitivos tanto a nivel nacional como europeo.

Our Market

We specialize in Led mirrors and Led spotlights production and distribution for DIY and bathroom furniture manufacturers.

We intend to build on the wealth of our range and the power of our distribution network and transport to increase market share at the european level as well as at the national level.

Equipo especializado
con más de 25 años
de experiencia en el
sector

En nuestras instalaciones disponemos de un departamento de I+D de producto para investigar la incorporación de las innovaciones tecnológicas a los espejos de baño, y de un departamento de Marketing, para analizar tendencias y necesidades y aplicarlo al desarrollo de nuestro producto. Todo esto nos permite tener flexibilidad y polivalencia para adaptarnos a las necesidades de nuestros clientes, dentro de un marco de la búsqueda de la excelencia y la calidad en nuestros productos.

Specialized team
with over 25 years of
experience within the
bathroom sector.

Our company has a well equipped I+D Department to investigate to incorporate technological innovations to Led Mirrors, and a Marketing Department to study new trends, strategies and requirements in order to implement on our product development. It all allows flexibility and versatility to adapt to our customers requirements, pursuing excellence, quality and strive for total customer satisfaction.

Product

Xpertials has the most modern technology, together a highly specialized staff that provides a high production capacity to put them at the customer's service.

As manufacturers, we adapt to our customer needs, we have become a reliable strategic partner of many companies.

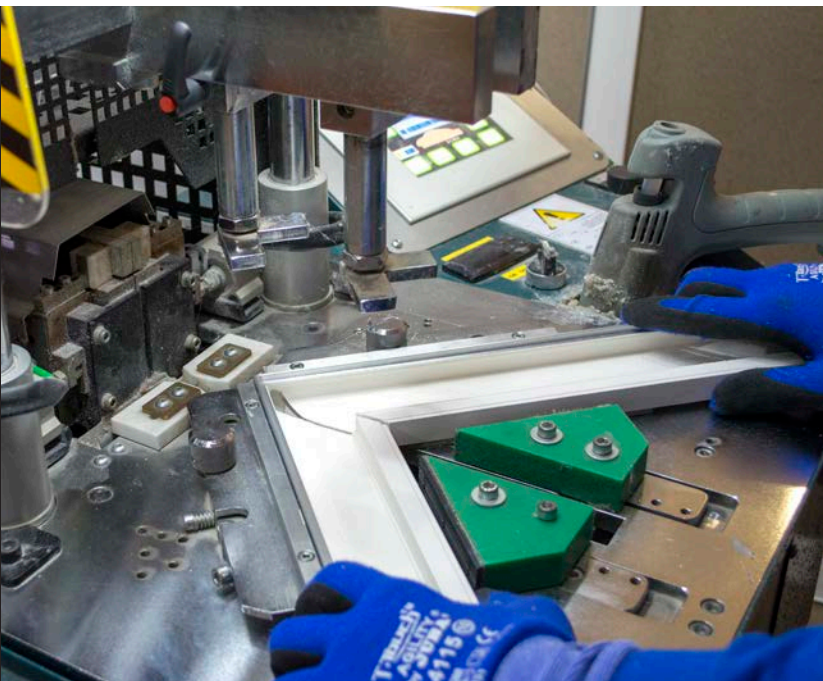

Thanks to our experience and multiple skills as manufacturers, we can offer customized mirrors (in size, design, features... etc) differentiating us from other suppliers.

Producto

Nuestra empresa dispone de la tecnología más avanzada, junto con un equipo humano especializado en el sector, que nos proporciona una alta capacidad productiva puesta al servicio del cliente.

Ser fabricantes nos permite adaptarnos a cualquier necesidad que nuestros clientes nos soliciten, con una esmerada calidad de producto y en constante desarrollo de las nuevas tecnologías del Mercado.

Gracias a nuestra experiencia y polivalencia al ser fabricantes nos permite ofrecer espejos a medida diferenciándonos de esta forma de otros proveedores.

xpertials

Espejos LED

Medio Ambiente

Consumimos energía eléctrica solo y exclusivamente de instalaciones de generación a partir de fuentes renovables.

Contratación de empresas externas para el reciclaje de todos nuestros sobrantes de materias primas o productos deteriorados.

Contratación del sistema de gestión de residuos (eco-embalaje) ECOEMBES.

Environment

We use electrical energy solely and exclusively from renewable sources.

External service contracts for recycling excess raw materials or damaged products.

Integration to the system of waste managements (eco- packaging)
ECOEMBES
